# **Basic Flag-Raising Ceremony**

Retrieve the flags from Wienke Lodge before approaching Gilwell Field. Once the troop is formed, the SPL will say "Program Patrol, raise the colors." The Patrol Leader should proceed to the flag poles to call off flag ceremony instructions.

"Troop Attention" - This is the signal that the troop should be ready to start.

"Color Guard Advance" – Color Guard carries the flags to the flagpoles.

"Color Guard, Post the Colors of the United States" – Color Guard attaches the flags to the ropes. Wait till the flag is clipped before proceeding.

"Scout Salute" - Troop salutes the flag

[color guard members do not salute]

"Raise the Colors" – quickly raise American Flag

"Please join me in the Pledge of Allegiance"

"Two" - Troop stops saluting.

"Please Display the Historical Flag"

[Read historical flag information and sing assigned song]

"Scout Salute" - Troop salutes the flag

"Raise the Historical Flag"

"Two" – Troop stops saluting.

"Raise the Troop 1 Flag" - This flag is not saluted

"Color Guard Return to Post" - Move back to formation

"Color Guard Dismissed" - Return to Patrol position.

# **Basic Flag-Lowering Ceremony**

If the colors are being retired as part of a Troop Assembly, the SPL will say "Program Patrol, please retire the colors." Some days, the Program Patrol will lower the colors independently. All Scouters near Gilwell Field should stand at attention as the flags are retired for the day. In both cases, the Patrol Leader would proceed to the flag poles to call off flag ceremony instructions.

"Troop Attention" - This is the signal that the troop should be ready to start.

"Color Guard Advance" - The Color Guard walks to the flagpoles.

"Scout Salute" – Scouts and Scouters in uniform should salute the flag.

[color guard members do not salute]

"Color Guard, Retrieve the Colors" - The flag bearer lowers flags slowly and with dignity in the following order:

- 1. Troop flag
- 2. Historical flag
- 3. 50 Star American flag

The 50 Star American flag should always be the last flag lowered. Salute should be held until the American Flag(s) are unsnapped from the halyard(s).

"Two" - Troop stops saluting.

Color Bearers fold the flags.

"Color Guard Return to Post" - Move back to formation

"Color Guard Dismissed" – Color Guard carries the flags back to their patrol position.

After the troop is dismissed from Gilwell Field, flags should be immediately returned to Wienke Lodge.

# Flag of 1777

With the signing of the Declaration of Independence, the new American nation needed a new flag of its own. On June 14, 1777, Congress passed this resolution:

"Resolved: That the flag of the thirteen United States be thirteen stripes alternate red and white; that the union be thirteen stars, white in a blue field, representing a new constellation."

Each star and each stripe represented one of the colonies that would become the United States. The Flag of 1777 flew over the young nation for 18 years. George Washington was the only president to serve under this banner. To this day, June 14, the birthday of our flag, is celebrated each day as Flag Day.

Let us honor this flag with a song that honors America:

# America the Beautiful - Page 11

\* The troop should salute the Flag of 1777 as it is raised and lowered, as it is still recognized as an official flag of the United States of America. In addition, this flag should also be folded into a triangle when the flag ceremony is complete.

# The Serapis Flag

Designed with 13 stripes alternating red, white, and blue, this flag was raised by Captain John Paul Jones on the British frigate Serapis during the most famous naval battle of the Revolutionary War.

In 1779 after conducting sea raids on the coast of Britain, Jones took command of a rebuilt French merchant ship that had been renamed the U.S.S. Bonhomme Richard in honor of Benjamin Franklin. In September of that same year, Jones engaged the British frigate Serapis in the North Sea, sailing in close, lashing his vessel to the British ship, and fighting the battle at point-blank range.

During the fight, two cannons burst on the Bonhomme Richard. The British Captain asked Jones if he was ready to surrender. Jones replied, "Sir, I have not yet begun to fight!" Eventually it was the crew of the Serapis that surrendered, though the Bonhomme Richard was severely damaged. The American sailors boarded the Serapis and watched from the deck as the Bonhomme Richard sank beneath the waves.

Let us honor this flag with a song that honors America:

Columbia, the Gem of the Ocean - Page 10

# The Star-Spangled Banner

By 1795, Vermont and Kentucky had joined the Union, bringing the number of states to 15. The new flag, featuring 15 stars and 15 stripes, flew over the nation for the next 23 years and the

administrators of five presidents. It was the flag that flew over Fort McHenry on the memorable night of its bombardment by the British in 1814, inspiring Francis Scott Key to write the verses of our national anthem.

The actual flag that flew over Fort McHenry that night is now preserved in the Smithsonian National Museum of American History.

Let us honor the flag by singing the first verse of the song that it inspired:

# The Star-Spangled Banner - Page 10

\* The troop should salute the Star-Spangled Banner as it is raised and lowered, as it is still recognized as an official flag of the United States of America. In addition, this flag should also be folded into a triangle when the flag ceremony is complete.

# The 46-Star Flag

By 1908, The United States of America had grown to encompass states from the Atlantic to the Pacific. Nearly all of the territory in-between had also been recognized with statehood. When Oklahoma

joined the Union, the U.S. flag changed to include 46 stars, a design that would last for only four years and the administrations of two presidents, Theodore Roosevelt and William Taft.

For us, there is further significance. This is the flag that was flying over America in 1910 when the Boy Scouts of America had its beginnings.

Let us honor this flag with a song that honors America:

# God Bless America - Page 11

\* The troop should salute the 46-Star Flag as it is raised and lowered, as it is still recognized as an official flag of the United States of America. In addition, this flag should also be folded into a triangle when the flag ceremony is complete.

# Illinois & Wisconsin State Flags

Today, we honor the flags of the great states of Illinois and Wisconsin. Camp Lowden sits just east of the Rock River, here in Oregon, Illinois.

Over 150 years ago Chief Black Hawk of the Sauk Nation, led his people up and down the Rock River area in search of peace. There are several

vantage points along the Rock River, in both Illinois and Wisconsin, where his people used to sit and watch for marauding bands of Indians and the white man. The Blackhawk Area Council takes its name from the mighty chief of the Sauk Nation.

It is only fitting that we honor these two states' flags today, on the final day of this Wood Badge Course. They both possess great wealth in resources, and natural beauty. They both have proud histories and wonderful people.

Join us now in honoring both of our home states by singing...

This Land is Your Land - Page 13

# **Patriotic Songs**

# Columbia, The Gem Of The Ocean

O Columbia, the gem of the ocean, The home of the brave and the free, The shrine of each patriot's devotion, A world offers homage to thee.

Thy mandates make heroes assemble, When Liberty's form stands in view; Thy banners make tyranny tremble, When born by the red, white, and blue!

When born by the red, white, and blue! When born by the red, white, and blue! Thy banners make tyranny tremble, When borne by the red, white, and blue!

# The Star-Spangled Banner

O say, can you see, by the dawn's early light,

What so proudly we hail'd at the twilight's last gleaming?

Whose broad stripes and bright stars, thro' the perilous fight,

O'er the ramparts we watched, were so gallantly streaming?

And the rocket's red glare, the bombs bursting in air,

Gave proof thro' the night that our flag was still there!

O say, does that star-spangled banner yet wave O'er the land of the free and the home of the brave?

# America The Beautiful

O beautiful for spacious skies For amber waves of grain, For purple mountains majesties Above the fruited plain!

America! America!
God shed His grace on thee
And crown thy good with brotherhood
From sea to shining sea!

O beautiful for pilgrim feet Whose stern, impassioned stress, A thoroughfare for freedom beat Across the wilderness!

America! America! God mend thine every flaw, Confirm thy soul with self-control, Thy liberty in law!

O beautiful for patriot dream, That sees beyond the years, Thine alabaster cities gleam, Undimmed by human tears!

America! America!
God shed his grace on thee,
And crown thy good with brotherhood
From sea to shining sea!

### **God Bless America**

God Bless America, land that I love. Stand beside her, and guide her, Through the night with the light from above.

From the mountains, to the prairies, To the oceans, white with foam -God bless America! My home, sweet home. God bless America! My home, sweet home.

# **America**

My country, 'tis of Thee, Sweet land of liberty, Of thee I sing.

Land where my fathers died, Land of the pilgrims' pride, From every mountainside, Let freedom ring.

Our father's God to Thee, Author of Liberty, To Thee we sing,

Long may our land be bright With freedom's holy light Protect us by thy might Great God, our King.

# Battle Hymn Of The Republic

Mine eyes have seen the glory
Of the coming of the Lord.
He is trampling out the vintage
Where the grapes of wrath are stored.
He hath loosed the fateful lightning
Of His terrible swift sword.
His truth is marching on.

#### Chorus

Glory, Glory, hallelujah! Glory, Glory, hallelujah! Glory, Glory, hallelujah! His truth is marching on.

## This Land Is Your Land

#### Chorus:

This land is your land, this land is my land, From California to the New York Island, From the redwood forests to the gulf stream waters, This land was made for you and me.

I've roamed and rambled and I followed my footsteps,
To the sparkling sands of her diamond deserts,
And all around me a voice was sounding,
This land was made for you and me......(chorus)

# When Johnny Comes Marching Home

When Johnny comes marching home again, Hurrah! Hurrah! We'll give him a hearty welcome then, Hurrah! Hurrah!

The men will cheer and the boys will shout, the ladies, they will all turn out, and we'll all feel glad when Johnny comes marching home!

I've got a Yankee Doodle Sweetheart, She's my Yankee Doodle joy. Yankee Doodle went to London Just to ride a pony, I am that Yankee Doodle boy.

# You're A Grand Old Flag

You're a grand old flag You're a high flying flag And forever in peace may you wave, You're the emblem of the land I love, The home of the free and the brave.

Every heart beats true for the Red, White and Blue, Where there's never a boast or brag. Should auld acquaintance be forgot? Keep your eye on the Grand Old Flag.

# My Country, 'Tis Of Thee

My country, 'tis of thee, Sweet land of liberty Of thee I sing; Land where my fathers died, Land of the pilgrims' pride, From every mountain side Let freedom ring.

Let music swell the breeze, And ring from all the trees Sweet freedom's song; Let mortal tongues awake;

Let all that breathe partake; Let rocks their silence break, The sound prolong.

Our fathers' God to Thee,
Author of liberty,
To thee we sing,
Long may our land be bright
With freedom's holy light,
Protect us by they might
Great God, our King

If we didn't fire our muskets 'Till we looked 'em in the eyes
We held our fire 'Till we see'd their faces well
Then we opened up our squirrel guns
And really gave 'em - well we

### (Chorus)

We fired our cannon 'til the barrel melted down
So we grabbed an alligator and we fought another round
We filled his head with cannon balls, and powdered his behind
And when we touched the powder off the gator lost his mind

### (Chorus)

Yeah, they ran through the briars
And they ran through the brambles
And they ran through the bushes
Where the rabbit couldn't go
They ran so fast
That the hounds couldn't catch 'em
On down the Mississippi to the Gulf of Mexico

(Chorus)

# **Bug Juice**

Tune: On Top of Old Smokey

At camp with the Cub Scouts, They gave us a drink, We thought it was Kool-Aid, Because it was pink.

But the thing that they told us, Would have grossed out a moose, For that good tasting pink drink, Was really bug juice.

It looked fresh and fruity, Like tasty Kool-Aid, But the bugs that were in it, were murdered with Raid.

We drank by the gallons, We drank by the ton, But then the next morning, We all had the runs.

Next time you drink bug juice, And a fly drives you mad, He's just getting even, Because you swallowed his dad.

They will know just want to do, Call a Scout
If you're ever in a hurry,

All you have to do is shout, Call a Scout

If the traffic that you meet,
Has you scared to cross the street,
They'll be there to help you out, Call a Scout

Do your ears hang low?
Do they wobble to and fro?
Can you tie 'em in a knot?
Can you tie 'em in a bow?
Can you throw 'em o'er your shoulder
Like a continental soldier?
Do your ears hang low?

Do your ears stand high?
Do they reach up to the sky?
Do they droop when they are wet?
Do they stiffen when they're dry?
Can you wave them at your neighbor
With an element of flavor?
Do your ears stand high?

Do your ears flip-flop?
Can you use them as a mop?
Are they stringy at the bottom?
Are they curly at the top?
Can you use them for a swatter?
Can you use them for a blotter?
Do your ears flip-flop?

## On Top Of Spaghetti

Tune: On Top of Old Smokey

On top of Spaghetti, All covered with cheese, I lost my poor meatball When somebody sneezed.

It rolled off the table, and onto the floor, And then my poor meatball rolled out of the door.

It rolled down the garden, and under a bush, And then my poor meatball was nothing but mush!

The mush was as tasty, as tasty could be, And then the next summer it grew into a tree.

The tree was all covered, all covered with moss, And on it grew meatballs, all covered with sauce.

So if you have spaghetti, all covered with cheese, Hold onto your meatball, 'cause someone might sneeze.

## **Eats Song**

(Tune: Hail, Hail, the Gang's All Here)

Soup, soup, we all want soup, Tip your bowl and drain it, Let your front teeth strain it. Hark, hark, that funny sound, Listen to that slurping sound.

Meat, meat, bring on the meat, Fresh and juicy cow meat, Ham and pickled pigs feet, Lamb chops and pork chops too, Any kind of meat will do.

Fish, fish, we must have fish, We don't want it bony, Nor a little phony. Fresh, fresh, we won't eat stale, Any kind of fish but whale.

## Scouting's Bear Necessities

We like those bear necessities, those SCOUTING bear necessities; That keep a Scout's life busy and full of fun.

We've got those bear necessities, the simple things to rest at ease; While the rest of folks have campers with TV's.

I'm talkin' about cooking on an open fire; With only a tin can and part of a tire. The food may smell a bit too strong; But the aftertaste does not stay long.

And I know that you'll surely agree,
It sticks to your ribs and fills your tummy,
Now sing along with me!
The bear necessities of life is Scouting's way,
We're sure today,
It's the Best Way!

And so I jumped Into the air But I missed that branch Oh way up there

And so I ran
Away from there
But right behind
Me was that bear

Now don't you fret And don't you frown Cause I caught that branch On the way back down

### Clementine

In a cavern, in a canyon, Excavating for a mine, Dwelt a miner, Forty-niner, and his daughter, Clementine

#### Chorus:

Oh my darling, oh my darling, Oh my darling, Clementine, You are lost and gone forever, Dreadful sorry, Clementine

Light she was and like a fairy,
And her shoes were number nine.
Herring boxes, without topses,
Sandals were for Clementine ..........

Saw her lips above the water, Blowing bubbles, mighty fine;

But alas, I was no swimmer,
So I lost my Clementine.....

In a churchyard, near the canyon,

Where the myrtle doth entwine,
There grow roses and other posies,
Fertilized by Clementine......

Then the miner, forty-niner,

Soon began to peak and pine,
Thought he oughter join his daughter,

Now he's with his Clementine......(chorus,

In my dreams, she still doth haunt me, Robed in garments soaked with brine; Though in life I used to hug her,

Now she's dead, I draw the line. ..... (chorus)

. (chorus

## **Coming Of The Frogs**

Tune: The Battle Hymn of the Republic

Mine eyes have seen the horror of the coming of the frogs.
They are sneaking through the swamps, they are lurking under logs.
You can hear their mournful croaking through the early morning fog.
The frogs keep hopping on.

#### Chorus:

Ribbit, ribbit, ribbit, croak, croak Ribbit, ribbit, ribbit, croak, croak Ribbit, ribbit, ribbit, croak, croak The frogs keep hopping on.

The frogs have grown in numbers, and their croaking fills the air. There's no place to escape to 'cause the frogs are everywhere. They've eaten all the flies and now they're hungry as a bear. The frogs keep hopping on.

(Hey, hey, hey) I'll be home
I'll be beside the phone waiting for you

You were my toy but I could be the boy you adore
If you'd just let me know (bah dah dah)
Although you're untrue, I'm attracted to you all the more

### Sweet Caroline

Where it began, I can't begin to knowing But then I know it's growing strong Was in the spring Then spring became the summer Who'd have believed you'd come along

Hands, touching hands Reaching out, touching me, touching you

Sweet Caroline
Good times never seemed so good
I'd be inclined
To believe they never would
But now I

Look at the night and it don't seem so lonely We filled it up with only two And when I hurt Hurting runs off my shoulders How can I hurt when I'm holding you

One, touching one Reaching out, touching me, touching you

Sweet Caroline
Good times never seemed so good
I'd be inclined
To believe they never would
Oh no, no

Sweet Caroline Good times never seemed so good Sweet Caroline I believe they never could

Sweet Caroline

## If I Had a Hammer

If I had a hammer, I'd hammer in the morning;
I'd hammer in the evening, all over this land;
I'd hammer out danger, I'd hammer out warning,
I'd hammer out love between my brothers and my sisters,
All over this land.

If I had a bell, I'd ring it in the morning;
I'd ring it in the evening, all over this land;
I'd ring out danger, I'd ring out warning,
I'd ring out love between my brothers and my sisters,
All over this land.

If I had a song, I'd sing it in the morning;
I'd sing it in the evening, all over this land;
I'd sing out danger, I'd sing out warning,
I'd sing out love between my brothers and my sisters,
All over this land.

Well, I have a hammer, and I've got a bell (to ring),
And I've got a song (to sing), all over this land;
It's the hammer of justice, it's the bell of freedom,
It's a song about love between my brothers and my sisters,
All over this land.

LOYAL to his mother,
HELPFUL to the folks about,

And CHEERFUL in his habits.
THRIFTY saving for a need,
BRAVE but not a faker,
CLEAN in thought and word and deed
And REVERENT to his maker.

### I'm a Believer

I thought love was only true in fairy tales Meant for someone else but not for me. Love was out to get me That's the way it seemed. Disappointment haunted all my dreams.

#### Chorus:

Then I saw her face, now I'm a believer Not a trace of doubt in my mind. I'm in love, I'm a believer! I couldn't leave her if I tried.

I thought love was more or less a given thing, Seems the more I gave the less I got. What's the use in tryin'? All you get is pain. When I needed sunshine I got rain.

(Chorus)

## **Amazing Grace**

Amazing Grace how sweet the sound, That saved a wretch like me! I once was lost, but now am found, Was blind, but now I see.

'Twas Grace that taught my heart to fear And grace my fears relieved; How precious did that grace appear The hour I first believed!

Through many dangers, toils and snares, I have already come;
T'is grace that brought me safe thus far, And grace will lead me home.

The Lord has promised good to me His word my hope secures; He will my shield and portion be as long as life endures

When we've been there ten thousand years, Bright shining as the sun, We've no less days to sing God's praise Than when we first begun.

## He's Got The Whole World In His Hands

He's got the whole world in His hands
He's got the whole wide world in His hands
He's got the whole world in His hands,
He's got the whole world in His hands.

#### Continues with:

- He's got the wind and the rain...
- He's got the sun and the moon...
- He's got the little bitty baby...
- He's got you and me...
- He's got you and me, sister...

## Blowing in the Wind

How many roads must a man walk down Before they call him a man? How many seas must a white dove sail, Before they sleep on the sand? How many times must a cannon-ball fly, Before they're forever banned?

The answer, my friend, is blowing in the wind The answer is blowing in the wind. How many years must a mountain exist,

Before it is washed to the sea?
How many years can some people exist,
Before they're allowed to be free,
How many times can a man turn his head,
And pretend that he just doesn't see?
The answer, my friend, is blowing in the wind
The answer is blowing in the wind.

How many times must a man look up
Before he can see the sky?
How many ears must one man have
Before he can hear people cry?
How many deaths will it take till he knows
That too many people have died?
The answer, my friend, is blowing in the wind
The answer is blowing in the wind.

## On My Honor

On my honor, I'll do my best, to do my duty to God.
On my honor, I'll do my best, to serve my country as I may.
On my honor, I'll do my best, to do my good turn each day,
To keep my body strengthened and keep my mind awakened.
To follow paths of righteousness. On my honor, I'll do my best.

## It's In Every One Of Us

It's in every one of us to be wise.
Find your heart, open up both your eyes.
We can all know everything, without ever knowing why.
It's in every one of us, by and by.

It's in every one of us, I just remembered.
It's like I've been sleeping for years.
I'm not awake as I can be, but my seeing is better.
I can see through the tears.

I've been realizing that I bought this ticket And I'm watching only half of the show. But there is scenery and lights, and a cast of thousands Who don't know what I know, and it's good that it's so.

It's in every one of us to be wise.
Find your heart, open up both your eyes.
We can all know everything without ever knowing why.
It's in every one of us, by and by.
It's in every one of us, by and by.

### How Great Thou Art

O Lord my God, when I in awesome wonder Consider all the works thy hands have made, I see the stars, I hear the rolling thunder, Thy pow'r thru-out the universe displayed.

#### Chorus:

Then sings my soul, my Savior God, to thee, How great thou art! How great thou art! Then sings my soul, my Savior God, to thee, How great thou art! How great thou art!

When thru the woods and forest glades I wander, And hear the birds sing sweetly in the trees, When I look down from lofty mountain grandeur And hear the brook and feel the gentle breeze

### (chorus)

And when I think that God, His Son not sparing, Sent Him to die, I scarce can take it in, That on the cross my burden gladly bearing He bled and died to take away my sin.

### (chorus)

When Christ shall come, with shout of acclamation, And take me home, what joy shall fill my heart! Then I shall bow in humble adoration And there proclaim, "My God, how great Thou art!" (chorus)

### Pass It On

It only takes a spark
To get a fire going,
And soon all those around
Can warm up in its glowing;
That's how it is with God's love,
Once you've experienced it,
You spread His love to ev'ryone
You want to pass it on.

What a wondrous time is spring,
When all the trees are budding
The birds begin to sing,
The flowers start their blooming;
That's how it is with God's love,
Once you've experienced it.
You want to sing it's fresh like spring,
You want to pass it on.

I wish for you my friend
This happiness that I've found;
You can depend on Him
It matters not where you're bound,
I'll shout it from the mountain top!
I want my world to know
The Lord of love has come to me
I want to pass it on.

## Taps

Day is done, gone the sun From the lake, from the hills, from the sky. All is well, safely rest, God is nigh.

Fading light, dims the sight And a star gems the sky, gleaming bright. From afar, drawing nigh, falls the night.

Thanks and praise, for our days, 'neath the sun, 'neath the stars, 'neath the sky. As we go, this we know, God is nigh.

## Philmont Hymn

Silver on the sage,
Starlit skies above,
Aspen covered hills,
Country that I love.
Philmont, here's to thee,
Scouting Paradise,
Out in God's country, tonight

Wind in whispering pines,
Eagles soaring high,
Purple mountains rise,
Against an azure sky.
Philmont, here's to thee,
Scouting Paradise,
Out in God's country, tonight.

## On Eagle's Wings

You who dwell in the shelter of the Lord, who abide in his shadow for life, say to the Lord:

"My refuge, my rock in whom I trust!"

#### Chorus:

And he will raise you up on eagle's wings, bear you on the breath of dawn, make you to shine like the sun, and hold you in the palm of his hand.

The snare of the fowler will never capture you, and famine will bring you no fear: under his wings your refuge, his faithfulness your shield.

### (chorus)

And he will raise you up on eagle's wings, bear you on the breath of dawn, make you to shine like the sun, and hold you in the palm of his hand

(chorus)

### Red River Valley

From this valley they say you are going, We will miss your bright eyes and sweet smile, For they say you are taking the sunshine, That brightens our pathway awhile.

Come and sit by my side if you love me, Do not hasten to bid me adieu', But remember the Red River Valley, And the girl that has loved you so true.

From this valley they say you are going; When you go, may your darling go, too? Would you leave her behind unprotected, When she loves no one other than you?

### **Scout Vespers**

Tune: O Tannenbaum

Softly falls the light of day,
As our campfire fades away.
Silently each Scout should ask,
"Have I done my daily task?
Have I kept my honor bright?
Can I guiltless sleep tonight?
Have I done and have I dared
Everything to be prepared?"

Listen Lord, oh listen Lord,
As I whisper soft and low.
Bless my mom and Bless my dad,
These are things that they should know.
I will keep my honor bright,
The oath and law will be my guide.
And mom and dad this you should know,
Deep in my heart I love you so.

### You've Got a Friend in Me

You've got a friend in me
You've got a friend in me
When the road looks rough ahead
And you're miles and miles from your nice warm bed
You just remember what your old pal said
Boy, you've got a friend in me
Yeah, you've got a friend in me

You've got a friend in me
You've got a friend in me
If you got troubles
I got them too
There isn't anything
I wouldn't do for you
We stick together, we can see it through
'Cause you've got a friend in me
Yeah, you've got a friend in me

Some other folks might be a little bit smarter than I am Bigger and stronger too ...Maybe
But none of them
Will ever love you
The way I do
It's me and you, boy
And as the years go by,
Our friendship will never die
You're gonna see it's our destiny
You've got a friend in me

You've got a friend in me Yea You've got a friend in me

# Leader's Prayer

Leadership is hard to define.

Lord, let us be the ones to define it with justice.

Leadership is like a handful of water.

Lord, let us be the people to share it with those who thirst.

Leadership is not about watching and correcting.

Lord, let us remember it is about listening and connecting.

Leadership is not about telling people what to do.

Lord, let us find out what people want.

Leadership is less about the love of power and more about the power of love.

Lord as we continue to undertake the role of leader, let us be affirmed by the Servant Leadership we witness in your Son, Jesus.

Let us walk in the path HE has set and let those who will, follow.

Let our greatest passion be compassion

Our greatest strength be love
Our greatest victory the reward of peace.

In leading, let us never fail to follow.

In Loving let us never fail to follow.

In Loving let us never fail.
